Substance Abuse and Mental Health Services Administration

Proposed Data Collections

AGENCY: Substance Abuse and Mental Health Services Administration (SAMHSA), HHS.

ACTION: Notices

SUMMARY: SAMHSA is publishing this notice to solicit public comment on three proposed data collections: the National Treatment Study (NTS) and the Life Events Analysis of Substance Abuse Clients (LEASAC); the Evaluation of the Comprehensive Mental Health Services Program for Children; and the Survey of Alcohol and Other Drug Treatment Facilities and PATH Grant Programs Regarding Tuberculosis Screening. Written comments are requested within 60 days of the publication of this notice.

Authority/Justification

Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 requires that Federal agencies provide a 60-day notice in the **Federal Register** concerning each proposed collection of information.

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 for opportunity for public comment on proposed data collection projects, the Substance Abuse and Mental Health Services Administration will publish periodic summaries of proposed projects. To

request copies of data collection plans and instruments, call the SAMHSA Reports Clearance Officer on (301) 443-0525.

Comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be

collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Send comments to Deborah Trunzo, SAMHSA Reports Clearance Officer, Room 16-105, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. Proposed Projects

1. National Treatment Study (NTS) and the Life Events Analysis of

Substance Abuse Clients (LEASAC)—New—The NTS and the LEASAC, sponsored by SAMHSA and NIAAA, respectively, will interview directors at a sample of 200 substance abuse treatment facilities about treatment content and process. The coordinated studies will also interview 3000 clients up to 5 times over a 15-month period in order to obtain a natural history of treatment. Automated collection techniques are not cost-effective for this study. The annual burden estimates are as follows:

	No. of respondents	No. of responses per respondent	Avg. burden/response
Treatment facility directors	200	1	1.5 hours
Clients	3,000	3.6	1.16 hours
Collaterals	1,000	4	.15 hours

2. Evaluation of the Comprehensive Mental Health Services Program for Children—Revision of a currently approved collection (OMB No. 0930-0171)—The Comprehensive Community Mental Health Services Program for Children with Serious Emotional

Disturbances supports the development of more accessible and appropriate services for children and adolescents with serious emotional, behavioral and mental disorders in 19 sites. The evaluation will be conducted over a five year period in all sites and will collect

process and outcome data using MIS data, standardized assessment instruments and qualitative data. Four comparison sites are added in this revision. The annual burden estimates are as follows:

	No. of respondents	No. of responses per respondent	Avg. burden/response
Children & families	9,250	3	.5 hours
Service providers	728	1	.5 hours

3. Survey of Alcohol and Other Drug Treatment Facilities and PATH Grant Programs Regarding Tuberculosis Screening—New—SAMHSA plans to

conduct a mail survey of alcohol and other drug (AOD) treatment facilities and PATH grant programs to document tuberculosis (TB) services provided to

clients and employees. Approximately 1,600 AOD facilities and 400 PATH grantees will be included in the survey.

	No. of respondents	No. of responses per respondent	Avg. burden/response
Treatment facilities & PATH grantees	2,000	1	.5 hours
